

We're Getting Close!

Trial Open Date Tentatively Set

We have a soft-opening tentatively scheduled for Thursday, April 23 from 5:30-8:30 pm (date is subject to change). We will see some patients, but this is only a "test run" for the clinic - it is **not our official opening**.

Starting April 23rd, every Thursday evening for six weeks we will have the same volunteers working so that at the end of the six weeks we can evaluate and examine our processes and make any needed adjustments before our Grand Opening. We're so excited that we're getting so close to our actual opening date!

39 Volunteers Trained

Last week we finished 2 volunteer orientation events here at the clinic with 39 people in attendance. This is exciting and we are so grateful to so many in the community who are willing to help provide health care to the uninsured in the Buffalo and Kearney county areas.

Holiday Season Donations

Amazing Generosity!

We raised nearly **\$31,000** during our WeRaise online crowd-funding and Give Where You Live campaigns to help open our doors. Thank you for your generous donations as we continue to work toward an April 2015 opening.

[Donations can still be accepted via our website.](#)

Answers to Frequently Asked Questions

- We will serve persons initially in Buffalo & Kearney counties.
- The HelpCare Clinic will NOT offer reproductive services.
- Most likely to be open two partial days per week.
